

# Bouncer – Rectangle

Bouncers are fun for all ages! They are also great for cardio training and fitness. Our Rectangle Bouncer is a freestanding item that will bring extra life to your playground.

NOTE: A clearance zone of 1500mm is required around the bouncing surface. The safety slab is part of the clearance zone. An additional 1250mm clearance zone must be included. The clearance zone must have a HIC greater or equal to 1000. The safety area above the surface must be 3500mm this means that no trees, lamps or similar can be in this area.

A suitable drainage layer must be provided, see image below:
