

Leg Strength

DFP-LP-SU300-450

Leg Press – Builds legs and glutes strength. The foot pad on the Leg Press allows users to alter the level of effort and muscles worked by changing their feet positions.

Step Ups – Providing two steps of different heights. The lower step with grab rail is great for seniors to build leg strength and enhanced mobility. The upper step offers a greater challenge for people with greater fitness levels.

Specifications

Equipment size: 1800 x 700mm

Fall zone: 18.6m²

Play Types

*All information is commercial in confidence and is the property of The Play Collective. For details regarding Australian standards, warranties, insurances, QA and installation, please contact your local office. All information is correct as at February 2024.
