

Accessible Wollemi

PIN012S

Accessible Wollemi is a bold, inclusive playground structure designed to deliver meaningful, all-abilities play for children aged 2 to 12. Engineered for accessible playground environments, it combines elevated play experiences with thoughtfully integrated access points to encourage social connection, confidence and physical development. Ideal for councils, schools and community parks, this premium inclusive play solution creates a standout destination that supports universal design principles while maximising play value across every age and ability.
