

Amber Banksia

PLC_013

The Amber Banksia tower offers a range of exciting challenges for all ages. Designed for imaginative, sensory, and social play, it features junior slides and sensory panels at lower levels, progressing to more complex climbing opportunities and impressive twisting slides higher up. This structure encourages kids to build confidence while exploring new ways to play and develop their skills.

Specifications

Equipment height: 7300mm

Fall zone: 109.2m²
